

June Chamber Corner

We are having another busy month at the Chamber. We have new businesses opening in our area and plenty of ribbon cuttings welcoming our new member companies.

New blood equals new energy and synergy. We have great momentum and are so excited about our upcoming Business to Business Showcase which will be held on July 8 from 5:30pm – 7:30pm at the Echo Lake Inn (under the tent). We can't wait to show off the companies that make up the Okemo Valley Chamber and the event is not only going to be fun, with free food and live music, but deals are to be had in our silent auction. This event is FREE and open to the public. Come meet and support your local businesses.

Our hills are alive with the sound of music and so is Our Valley this summer! Be sure to check our Chamber website at www.yourplaceinvermont.com and search our Calendar of Events.

Fresh produce abounds. We have a new Farmer's Market in Ludlow on Friday which joins the already successful Saturday market in Londonderry and Sunday in Chester and Mount Holly.

Things we have to look forward to in June include:

- Opening of Black River Academy Museum;
- Open Barn at Horse Partners in Perkinsville;
- Vermont Days at all State Parks;
- Live summer theater at the Weston Playhouse;
- Billings Farm & Museum activities;
- President Calvin Coolidge State Historic Site Evening with Stellafane;
- Plymouth Strawberry Festival;
- Fletcher Farm School for the Arts & Crafts summer courses.

These are just some of the great reasons to live, work and play in the Okemo Valley!!

Respectfully submitted,
Marji Graf, Executive Director
