

Okemo Valley Regional Chamber of Commerce
September Chamber Corner

We had a busy August in the Okemo Valley Chamber. We send out press releases and things to do in the Okemo Valley quarterly to the media and this month we had our events listed in Yankee Magazine as well as editorial content for Vermont's Route 100 article.

We placed our media through next summer 2010 in the Vermont Vacation Guides; Winter 2009 and Summer 2010 (inside front and inside back covers).

We also ran a half page brand ad in Connecticut Magazine, Okemo Winter Magazine, 2010 Vermont Wedding Resource Guide and this winter's Vermont Life Magazine.

We endorse television program "Your Place In Vermont" on RSN and will have video links under our members enhanced listings.

We also have a monthly television program on LPC-TV www.lpctv.org
We have two interviews. One for an upcoming event and the second is a new member into the Okemo Valley Chamber.

Stay tuned...Okemo Valley is on the move and in the media.

Be sure and check out our extensive list of events on our website:
